SECRET

MEMORANDUM FOR: [REDACTED]

SUBJECT: Request for RS-54 Radios

1. This office has an urgent operational requirement for 41 RS-54 radios. Three of these items are required by 26 October 1964. They may be high quality prototypes. The remaining 38 are needed by 1 January 1965 and should be fully tested production models.

2. Because of the time limitation involved and the urgency of our requirement, OSA has established liaison with the Office of Communications relevant to these radios. However, it is recognized that [REDACTED] has overall cognizance on all items of this nature and we are coordinating our activities with [REDACTED] of your staff.
